KEY

-  ALL children in age group should get the vaccine
-  SOME children in age group should get the vaccine
-  ALL children in age group can get the vaccine
-  Parents/caregivers should talk to their health care provider to decide if this vaccine is right for their child

Talk to your child's health care provider for more guidance if:

1. Your child has any medical condition that puts them at higher risk for infection or is pregnant.
2. Your child is traveling outside the United States.
3. Your child misses any vaccine recommended for their age or for babies and young children.
